MEMORANDUM 10/25/2019

Attention REU Families,

This is an urgent message regarding Bingo. It is absolutely necessary that if you receive a tip at the Blue Devils Bingo Hall while volunteering, that you ask if the tip is for the Hall or is for you personally. If the winner tells you that the tip is for the Hall, please give the tip to the Hall Manager. The Hall Manager will then give you a receipt for you to provide to the winner. If the winner states that the tip is for you, at that time please take the tip to the Hall Manager and inform them that the tip is intended for the REU. The tip will be placed in a folder and later returned to the REU. Any tips that REU Volunteers receive will be considered donations and will be directed toward the replacement of our uniforms. Please note the tips that you receive personally (intended for the REU) on the sign-in sheet in the "Tips" location. Please note that if a tip that is intended for donation to the REU is not delivered to the Bingo Hall, it is considered taxable income subject to individual tax laws for the individual. If you have any questions please reach out to the bingo coordinators at bingo@rhseu.org.

Thank you,
