To Whom It May Concern:

The Rodriguez Music Boosters Annual Crab Feed dinner is scheduled for Saturday, February 15, 2020 at the Joe Nelson Community Center in Suisun, California. This is the primary fundraiser for our award-winning Entertainment Units. All proceeds go toward supporting the Rodriguez High School Music Programs' marching band, symphonic band, jazz band, color guard and choir.

The music program in our schools have been dramatically cut and rely mainly on our fundraising efforts. Contributions to our crab feed fundraiser either in the form of items for the auction or raffle, or a monetary donation, would be greatly appreciated. With your help, the RHS Music Boosters can continue to support these beneficial music programs.

As a "thank you" for your contribution and support of the RHS Music Programs, we will happily include your business on our Donor Appreciation list at our event. We will encourage our "music family" to support your business in return. We are a tax deductible, non-profit organization that needs the support of our community businesses. Our dedication deadline for donation is February 5, 2020 but will be accepted as early as is convenient for your business and late replies as needed.

We have attached a copy of our Auction Donation form for your use when donating. Please feel free to make copies of the form to use should you choose to donate multiple items.

Thank you for your consideration of our request. If you have any questions, please feel free to contact us.

Sincerely,
